Join JCV and the [Eastern Panhandle Green Coalition](#) on Saturday, October 22nd for our fifth annual Pickin' on Polluters fundraiser! We'll enjoy music from [Olivia Ellen Lloyd](#) and her Nashville Band, as well as several great local bands we have enjoyed in the past.

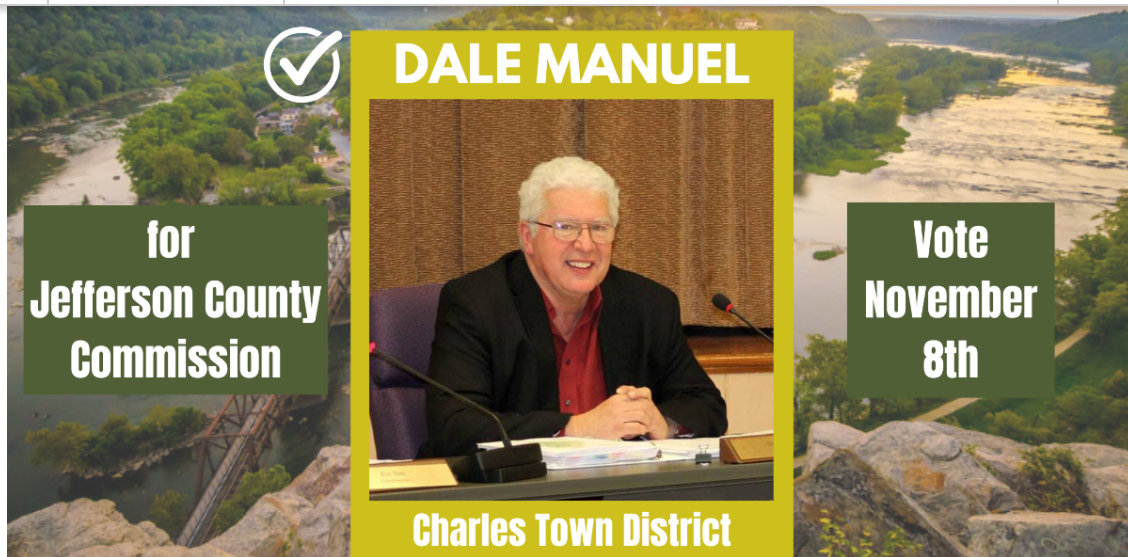

Olivia jump started her music career with the release of her debut album, Loose Cannon, in February 2021. Lloyd, a West Virginia native, was raised by a musician and a public school educator in Shepherdstown, WV. Since the release of her album, she has been writing, touring, and performing at some of Brooklyn's Americana institutions.

received over 600,000 streams on Apple Music and Spotify, and has received numerous awards. Loose Cannon was named 'Album of the Year' in *Ear to Ground* and was featured in *Nashville Lifestyles*, *The Blue Grass Situation*, and *Rolling Stone Country*. She was also featured as 'New Artist of the Week' in *Holler Country Magazine*. In addition, her 2020 single "Shepherdstown" was named one of *Tidal's* best songs of 2020 on their Rising Folk playlist. She currently splits her time between Nashville and Shepherdstown while working on her next batch of songs.

Dale Manuel will be running for the Charles Town seat on the Jefferson County Commission in this year's Midterm Elections. He has been a lifelong resident of Jefferson County. Manuel worked as a teacher in Jefferson County Schools for 32 years and is now retired. He has over 28 years in public service, having served for 16 years in the WV House of Delegates and 12 years on the Jefferson County Commission.

As Commissioner, Manuel wants to restore open and transparent government to the Commission. He plans to do this by providing additional opportunities for citizens' voices to be heard by pushing to provide public hearings on important matters and making a greater effort to notify the public of upcoming action by the Commission. This would include allowing public comment at both the beginning and the end of Commission meetings, allowing two weeks for written comments after public hearings, promoting clean air and water in our county, and establishing boundaries to provide information that would show any increases in pollution. He believes this is important to ensure that citizens have adequate time and opportunities to be involved in studies from the beginning.

Manuel believes he is the best candidate for the position due to his extensive history in public service, which has provided a wealth of knowledge on state and county government and how they function. In addition, his involvement in the Jefferson County community through leadership roles in the Day Report Center, Council on Aging, Teen Court, African American Community Association, and Kiwanis has provided great insight into the needs of the citizens of our county.

democracy depends on citizens' participation".
